

Parking at St Peter's Field Broughton

Postcode LA11 6HR, digital coordinates 54.228037, -2.941821 www.stpetersfieldbroughton.org.uk

Parking is not recommended on the road west of the churchyard. There's limited parking available on the road south of the churchyard: be prepared to reserve spaces for priority or disabled attendees at your service. The Priest should be left space next to the lych gate. Otherwise the lych gate area should be used for drop-off only.

Disabled should go through the lych gate and turn right before the front door of the church, continue round to the back of the church and through the back door at the end of the tarmac path. Warning should be given to church contacts so that ramps inside can be positioned ready.
